## Welcome from our Head Teacher

I would like to welcome all our children back to school for the summer term. This term is always a busy one in school and I look forward to meeting and getting to know you all a little bit better. I am settling in very well and would like to thank everyone for the warm welcome I have received at Culter School. This week, Interactive SMART boards are being installed in eight of our classrooms. These are used in a wide range of activities across the curriculum and will, I am sure, be of great benefit to both staff and pupils at Culter. We will be holding a Health Week in the week beginning 30th April. A wide range of activities will be on offer to encourage our children to keep fit and healthy and there will be a Drugs Information Evening on Wednesday 2nd May for parents. Mr Grant has organised the Health Week and a letter will be sent home with details of activities. I do hope many of you will come along to the parent event as this issue is one which concerns and worries many parents.

I would like to remind parents that Culter School will be open as usual on Election Day, 3rd May. The school is not required as a polling station this year so it will be business as usual for all at Culter. School will however be closed on Monday 7th May for the May Day holiday.

Pupil reports will be sent home on Friday 11th May. This year, Mr Grant and Mrs Wyer will sign pupil reports. I look forward to signing these next year when I will know the pupils and feel more able to comment on their progress.

Can you skip? Have you some time to spare?

We are looking for volunteers to teach the children some skipping games. If you are interested, please let the school office know.
